# SUHIB ISAM AHMAD ALBAYARY

- Amman, Jordan 9 June 1996
- +962798569511 salbyari3@gmail.com

## **▼** Objective

Enthusiastic in computer science, eager to contribute to the team, striving for success through hard work, attention to detail, and proficient in organizational skills. I always want to be a multi-talented programmer and be rewarded with success as well as an expert in planning and improving programs by gaining experiences from myself and my world around me or through people with high expertise and capabilities that help me raise my programming efficiency.

### ▼ Experience

Worked in the field of e-learning content developer by Storyline (360) from (1 / February / 2021) until now at Novel Era company.

Projects that have been worked on:

- Programming educational content for Amman Al Ahliyya University (Jordan)
- Programming the educational content of the national e-training platform under the name Doroob (Saudi Arabia).
- Programming educational content for the Saudi Ministry of Education

#### **▼** Education

• Bachelor of Information Technology: Computer Science at Al Balqa Applied University with a score of (2.62) and a grade of (Good).

#### Programming Languages And Training

University Training (09/2020 to 01/2021) Integrated Technology Group (ITG)

- Knowledge of Object-oriented programming.
- Knowledge of Java, C++, C# and basic of Android.
- Extensive knowledge of the front-end such as:
  - Html
  - Css
  - Bootstrap
  - JavaScript
  - JQuery

> Basic of Php > MySQL > ASP.NET Core > SQL server  • He holds an Asp.Net Core course with a certificate approved by the Pioneers Academy, and it was completed in 3 levels, with a total of 92 practical hours.  >\Downloads\certificate (3).pdf >\Downloads\certificate (4).pdf >\Downloads\certificate (5).pdf >\Downloads\certificate (6).pdf  • Extensive knowledge of Adobe illustrator.  • Skill Highlights  • Strong decision maker • Communication skills • Flexibility and ability to manage priorities • Work effectively in a team • Speed of learning and quick response to any requirement
